The Place to LIVE

The southern part of Essex County is one of the most desirable places to live in Canada. Here are a few reasons why:

- It enjoys one of the warmest climates in Canada, and lies on the 42nd Parallel, in line with Rome, Italy, and Northern California.
- It is situated on the north shore of Lake Erie, and is close to Point Pelee National Park. It boasts many acres of waterfront and neighbourhood parkland, several local golf courses and is on the shores of the Erie Wine Route.
- There are excellent recreation facilities, service clubs and ethnic clubs meeting the diversity of culture in the area.
- It has many attractions including bicycle paths, a large and modern marina, car shows, beaches, festivals, and fairs.
- There are numerous public and Catholic elementary schools in the area and a number of high schools.
- There is great shopping in the County and a wide selection of restaurants.
- Windsor and Detroit are less than an hours drive.
